

Please do not create administrative rulings that will allow further consolidation of media owners. It is imperative in a democracy to have a honest media that offers a variety of perspectives on all issues. If we allow further consolidation of the media ownership we become more vulnerable to the whims and belief structure of the few owners. I have read in the newspaper for most of my adult life which now spans several decades about the controlled newspapers and television in some of the authoritarian countries. We do not want to do anything that will make us fall victim to such a limited media structure.
